The college is reaccredited by NAAC with CGPA of 1.75 on four-point scale at 'C' Grade in Second Cycle. The college has organized university level, state level and national level seminars, conferences and workshop. The Department of Physical Education and Sports is established in 1995. It is very active and vibrant department in college. Department is very concision about the mission of the college. Department organize various activities for developed Physical Education and Sports in Rural area. The main objective is to physically and mentally empower the Students.

About the course

The physical side as well as the mental side is very important in a person's personality. The mentality of a person is very important in making any decision. Many things like anxiety, stress, and aggression have positive and negative effects on the personality. One needs to know every aspect of one's own mentality. In rural areas the level of mentality is very low. The self-confidence of the students is very low because their personality is not effective.
